Freightnest

The operating system for small freight forwarders

Seed · 2026

Dubai and Mumbai · Founded 2022

Small forwarders run on email and Excel

- A quote takes 4 hours of emails with carriers
- Shipments are tracked by calling agents
- Invoices go out late and with errors

Freightnest

- Instant quotes from 60+ carriers and agents
- Bookings, documents and tracking in one place
- Invoices raised automatically when a shipment moves
