Mandiflow

Fresh produce from farm clusters to restaurant kitchens, next morning

Series A · 2026

Bengaluru · Est. 2021

Restaurants buy produce the hard way

- A chef or owner visits the wholesale mandi at 4 am, three times a week
- Prices change daily and quality is a gamble
- Wastage runs at 12 to 18% of what they buy

Mandiflow

- Order on WhatsApp or the app by 11 pm, delivered by 7 am
- Sourced directly from 140 farmer groups around Bengaluru and Mysuru
- Graded, cleaned and packed in our own two warehouses
- Credit terms for restaurants with good payment history

Growing fast

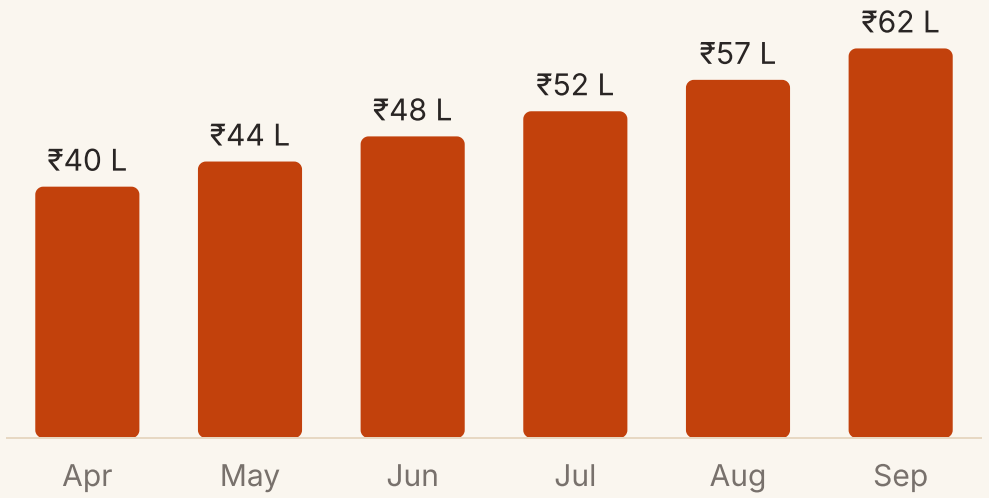

1,200
restaurants served

25%
month-on-month growth for the last 6 months

₹62 L
monthly revenue, Sep 2026

14%
gross margin

Monthly revenue, ₹ lakh

Market

India's restaurant produce spend is $9B a year (top-down industry estimate).

- Bengaluru alone has 25,000 restaurants
- We plan Hyderabad and Chennai in 2027

How we compare

	Next-morning delivery	Farm-direct	Credit terms
Mandiflow	**Yes**	**Yes**	**Yes**
Local wholesale mandi	No	No	Sometimes
Large B2B food marketplaces	Yes	Partly	No
