Parkwise

Ticketless parking for malls and hospitals

Seed round · 2026

Dubai · Founded 2022

Parking is still run on paper tickets

- Queues at exit barriers at peak hours
- Operators can't see occupancy or revenue in real time
- Lost tickets and cash handling cause leakage

Parkwise

- Number-plate cameras open the barrier, no ticket needed
- Drivers pay by app, card or Salik-style account
- Live dashboard of occupancy and revenue for operators

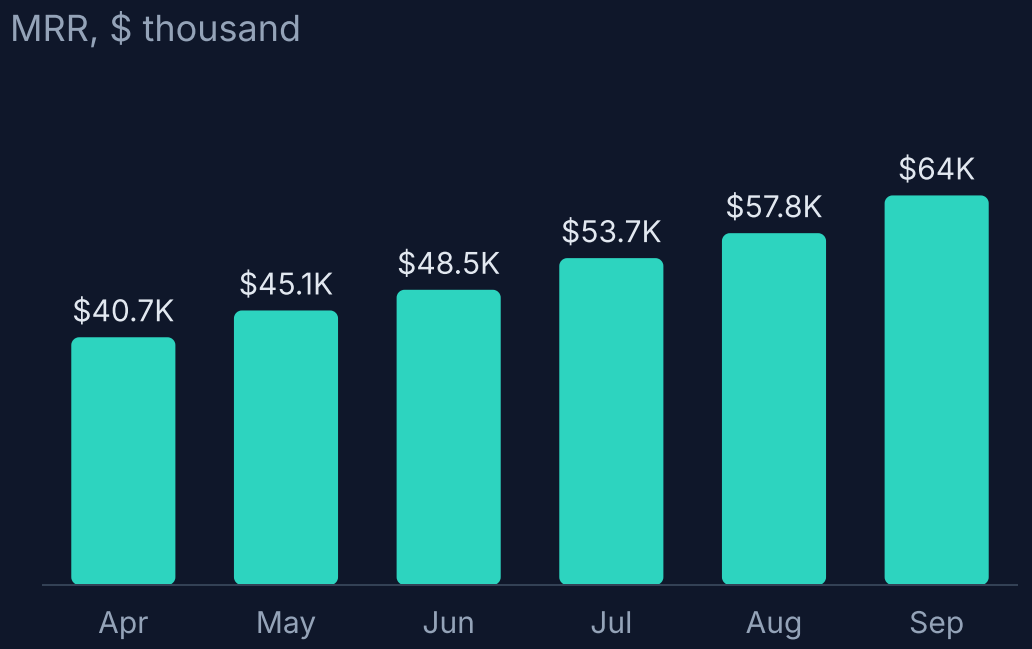

Traction

operators lost

Market

Bottom-up: 2,300 paid parking sites in the GCC with 300+ spaces, at $18,000 a year each: $41M a year today.

- Adjacent: residential and office towers
- Saudi Arabia from 2027
